

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

POLICY STATEMENT

DIABETES MANAGEMENT

Rationale

It is the policy of the Algonquin and Lakeshore Catholic District School Board to provide information and guidelines to staff regarding the care and treatment of students with diabetes.

Guiding Principles

- Children with diabetes can fully participate in all school activities when their diabetes is managed properly and school staff are knowledgeable of the condition.
- All staff must be fully apprised of the procedures developed to ensure the safety of the student with diabetes.
- The successful management of a child with diabetes will be dependent upon an ongoing relationship of communication between the parent/guardian, the student and the school community.
