

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

POLICY STATEMENT

FINANCIAL SUPPORT FOR STUDENTS INVOLVED IN SPECIAL PROJECTS

Rationale

The Board of Trustees encourages students to pursue opportunities within the community and beyond through involvement in special projects of an educational or personal development nature. Practical and financial support for students involved in such initiatives will be made available annually based on the Board=s resource circumstances as they apply at the time.

Guiding Principles

- Special project that will be financially supported should be singular, unique, and enhance the educational and personal development of the student.
- Requests for financial support should be supported by the School Principal and made in writing to the Director of Education.
- An annual report to the Board of Trustees, outlining the name of recipient(s), the special project supported, and the financial commitment will be tabled each September.
